

Review Class
 Friday, October 28, 2011
 Thursday, December 29, 2011
 8 a.m. to 6 p.m.

Private CPC Exam
 Friday, December 30, 2011
 9 a.m. to 2:40 p.m.

CPC™ Exam Prep & Optional Exam

Taught by AAPC Certified Instructor, Tamra R. Lahmer, CPC, CPC-I, CCS-P, MCS-P

- Surgery challenges in each chapter of CPT
- Anesthesia code selection and unit calculation
- Radiology and Pathology coding
- Dialysis, Psychiatry, Infusions and more from CPT Medicine chapter
- Evaluation & Management Services with focus on key component selection and levels
- Determine appropriate use of CPT Modifiers
- Locate and understand application of ICD-9 official coding guidelines
- Accurate HCPCS code selection
- Hands-on case study application within the most complex areas of coding
- Sample one-hour timed test will be administered to prepare for the CPC™ test time requirements

This course will also benefit the Certified Coder by providing a thorough refresher in all areas of coding.
7 CEUs will be awarded for this full day event.

This seminar provides a comprehensive overview of the AAPC Advanced Coding training program. It does not guarantee achievement of the CPC™ credential. A combination of training and/or experience is recommended as preparation for any AAPC examination.

7 CEUs
