THANK YOU

for your interest in MediQuick Physician Services. Founded in 2000 by Tamra R. Lahmer, MediQuick Physician Services is a full-service revenue management company which supports the reimbursement and compliance needs of health care providers. The first and foremost mission of MediQuick Physician Services is to support our clients by offering services that maximize the reimbursement opportunities for their billable services. MediQuick Physician Services has enjoyed 17 years of business growth as a direct reflection of industry referrals and exemplary reputation.

OUR VISION

**TO BE AN ORGANIZATION THAT IS
SOUGHT** *for its performance*
RESPECTED *for its integrity and*
TRUSTED *in all relationships.*
